Lukas Gysin

Managing Partner
smartGAP GmbH

Swiss CPA, MBA

Swiss, born 1979

Lukas is a serial entrepreneur and founder of the *ETH Zurich spin-off* unIQFEED AG. He is a Swiss Certified Public Accountant (CPA), has a MBA of the University of Rochester, USA and holds an EMBA of the University of Berne, SUI.

Lukas founded unIQFEED in 2015 based on his MBA business plan and served as **CEO** and **Board Delegate**. He scaled it up from a blank paper to a world leading virtual advertising sports tech niche player with offices in Glattbrugg, Hannover and New York.

Lukas started his professional career in 1999 in the audit & advisory department of PricewaterhouseCoopers (pwc). He also worked as an Associate Director for UBS in Business Banking before serving seven years as **CFO** and **Board Secretary** in various companies and industries.

Lukas is the corporate consultant he would have loved to work with in his C-suite positions in the past.
